

COMMUNITY RISK REDUCTION BUREAU MANUAL
DEVELOPMENT POLICIES
425.1 GENERAL GUIDELINES
EFFECTIVE: APRIL 1, 2016
AUTHORIZED: *R. Pearce*

SCOPE

These development policies establish the minimum requirements for Fire District access, water supplies and other fire service features within the Tiburon Fire Protection District.

PURPOSE

The purpose of this policy is to outline the requirements for Fire District access, water supplies and other fire service features.

NOTE: Additional requirements not found in these policies may be found in the California Fire Code. These are minimum fire protection requirements and are not to be considered as inherently compliant with regulations promulgated by other City departments.
