RICHARD PEARCE, FIRE CHIEF

NOTICE OF TIBURON FIRE PROTECTION DISTRICT REQUEST TO PREQUALIFY AND FOR STATEMENT OF QUALIFICATIONS FOR FIRE STATION REPLACEMENT PROJECT

The Tiburon Fire Protection District (District) issues this Request for Qualifications (RFQ), as authorized by Public Contract Code section 22162, et seq., to retain a qualified firm/team for the design-build services required for the construction of a new Fire Station No.10 ("Project"). All prospective design-build entities that seek to contract with the District to perform the Project must respond to this RFQ.

Contractors that intend to submit shall adhere to following timeline: Prequalification Questionnaire due by or before 5:00 p.m. on November 20, 2024; Questions due by or before 5:00 p.m. on December 2, 2024; Responses due by 5:00 p.m. on December 5, 2024, pursuant to the process in the RFQ. Contractors must hold a Class B Contractors License that is current, valid, and in good standing with the California Contractor's State License Board.

The RFQ can be found on the District website at tiburonfire.org, or by contacting Richard Pearce, Fire Chief at rpearce@tiburonfire.org.

If the District issues addenda to this RFQ, prospective design-build entities are solely responsible for and must acknowledge receipt of addenda in the design-build entity's response.
